

MK-1502-1

**For making BOTH standard size donuts AND mini donuts on a Donut Robot® Mark II or Mark V.**

- MK-1502-1 includes:  
1-Mini Donut Hopper and 1-Double Plunger.
- MK-1502-1 deposits 4 mini donuts per conveyor row, on a standard Mark II or Mark V.
- Changeover from standard to mini donuts (and back again) takes less than one minute.
- MK-1502-1 is interchangeable with the standard cake donut hopper/plunger on standard Donut Robot® fryers.

## HOW DO THEY COMPARE?

**Donut Robot® Mark II  
with MK-1502-1 Mini Donut Hopper/Plunger**
