## Dough Dividers, Rounders & Combos

The DX-BMIH manual dough divider has tool-less interchangeable head assemblies. The heads are available in a variety of sizes for fast accurate scaling of dough. Standard dough divider heads are available in 36, 18, 9 piece head assemblies.

The DXP-DBR03 / DXP-DBR3L dough rounder can quickly round bread or pizza dough without strain.

Combo dough divider/rounders are a great time saver for high volume kitchens. Choose between the DX-JN semi-automatic or the fully automatic DXP-DD005.
