## Aluminum Shelving Unit

### Take Advantage of your Vertical Space with Our Shelving Unit!

This unique open shelf design is suitable for any room that needs additional vertical storage. Manufactured from 12 gauge aluminum, each shelf is adjustable and uses our new corner clip assembly. This unit's shelves are designed with a flat surface for efficient cleaning and can support 600 pounds when evenly distributed per shelf. To accommodate every company need, this unit is offered in a variety of sizes with optional accessories.

### Our Guarantee

- Like all of our American made products, this equipment stand is designed to endure.
- Each item is thoroughly inspected before it's packaged.
- Every unit carries a **Lifetime Guarantee** against rust and corrosion.
- **Three-Year Guarantee** against material defects and workmanship.

We are proud to be one of the leading American manufacturers of food service equipment and ramps. Partnering with us means that we'll solve issues others have failed to address.
