## W-SERIES PAN RACKS

### Efficiently Store your Fresh Baked Goods with Our Pan Rack!

Whether you are cooling off freshly baked goodies or simply needing to store your bun pans, the W-Series pan racks are perfect for your facility. This series has a sheet pan capacity ranging from 10, 12, 15, 20 and 30 in an end and side load pan rack with the option of knock down or welded. Each 1" x 1 1/2" aluminum slide is welded to the aluminum frame, with a weight capability of 30 pounds per shelf. Thanks to its mobile design, you can easily transport food from one area to another and even preserve heat with our vinyl covers. With such a wide range of configurations and optional accessories you'll find the perfect pan rack for your facility.

### Our Guarantee

- Like all of our American made products, this unit is built of high quality material that will last.
- Each item is thoroughly inspected before it's packaged and released from our facility.
- All products manufactured at PVI's facility carry a **Three-Year Limited Warranty** against material defects and workmanship under normal use and service.

We are proud to be one of the leading American manufacturers of food service equipment and ramps. Partnering with us means that we'll solve issues others have failed to address.
