Models: F2G-3-A, -22-A, -32-A
F2G-3-C, -22-C, -32-C

The Hatco Flav-R 2-Go® Locker System - Countertop, designed specifically for your pick-up and third-party delivery needs, is capable of holding multiple orders of hot or ambient food with quick and secure access. By reducing congestion and allowing employees to focus on other functions, customers or delivery people can arrive, access their specific locker, and leave without waiting in line or disturbing the flow of other business.

*F2G-3-A*
shown from customer side,
in standard *Designer* Warm Red

## Standard features

- Floor mount and built-in models also available, see alternate spec sheets
- Each locker unit has a large 10" (254 mm) touchscreen on the operator side and on the customer side. The operator puts in the name and code. The customer receives the code, enters it on the customer side, and the appropriate door unlocks and LED lights flash
- F2G-3 and F2G-32 have customer facing controls on the left side of the unit. Operator controls will be on the right-hand side. Reverse control locations are available as an option.
- F2G-22 has customer facing controls in the center of the unit. Operator controls will be the same
- Each locker has a timer that will hold prepared and packaged food for up to 45 minutes
- Lockers come preset to 150ºF (66ºC) with a high temperature range up to 180ºF (82ºC)
- Individual lockers can have the heat turned off for ambient storage
- Internal lockers come standard in Gloss Smooth White with LED indicator lights that can be programmed to six different colors: blue (standard), red, green, yellow, magenta or white (all lockers will be one color)
- Manual (standard) or POS integration capabilities available (outside vendor required)
- Available with pass-through or optional Back Panels create a one-sided access with the touchscreen only on the customer side. Available in two locker depth sizes, *Designer* colors and the ability to have a custom logo on the customer side glass doors

## Options (available at time of purchase only)

*Designer* Colors –
Non-standard colors are non-returnable – Warm Red standard –
☐ Black ☐ Gray Granite ☐ White Granite
☐ Navy Blue ☐ Hunter Green ☐ Antique Copper

Right Side Control Panel on customer side (in lieu of left side control panel) – operator control panel would switch to left side (in lieu of right side control panel) –
☐ F2G-3 ☐ F2G-32

☐ Back panels – Creates a non-pass-through unit – (The cord and power switch will move to the side of the unit, operators left, if right side is not selected at time of order) (subtract .95" (24 mm) to the depth and add 1.21" (30 mm) to width) – Non-pass-through units have control panel only on customer side –

☐ Cord Location, operator side, bottom right corner – in lieu of standard, Operator side, bottom left corner –

QR Code Reader –
☐ For non-pass-through units only. Must be combined with Back Panels
☐ For pass-through units only
