

Tabletop Combo

24" wide frame: 12" griddle, 12" char-broiler
 Model CS-12RB-12G

Standard Features & Benefits

CONSTRUCTION: Easy cleaning, corrosion resistant stainless steel finish. Adjustable stainless steel legs for easy leveling.

GRIDDLE: 20.25" deep x 3/4" thick plate with stainless steel splash guards. High polish cold rolled steel cook surface. (1) 30,000 BTU "U" shaped burner centered spaced for optimum heat distribution. A deep, large capacity grease drawer is provided.

BROILER: 20.25" deep x 6" wide, height adjustable cast iron grates. (1) 35,000 BTU "U" shaped burner centered and combined with heavy gauge carbon steel radiants for even heat distribution. Stainless steel splash guards. A large capacity grease drawer is provided.

CONTROLS: Reliable brass gas valves and automatic standing pilots. Pressure regulators are set at the factory for the gas specified. Conversion kits are included. Optimal pressures are 4" WC for natural gas and 10" WC for propane. Manifold size is 3/4" NPT. All controls are tested and confirmed in good working order. Calibration and adjustments are the responsibility of the installer.
