GRANITA-2 19" Double 6 Gallon Pourover Granita Slush Machine

FEATURES

- ▶ Holds Temperature Between 14°F to 28°F
- ▶ Digital Temperature Control and Display
- ▶ Interior LED Lighting
- ▶ Luxurious Design
- ▶ Maintenance Friendly
- ▶ Drip Tray
- ▶ Consistant Flavor
- ▶ Adjustable Slush Mode
- ▶ Food-grade Anti-cracking Bowl

This Coldline Granita is an incredibly versatile slushie machine for blending frozen coffees, cappuccinos, lemonades and smoothies in your commercial kitchen. Built to be a reliable and efficient performer, the Granita will help you prepare perfectly chilled slushies at all times. A powerful motor, heavy-duty auger and advanced temperature control make it easier to create great-textured crowd pleasers.

▶ ETL Listed

WARRANTY

Coldline countertop drink and slush dispensers are covered by a 90 day labor or replacment. 1 year parts and labor when sent to an authorized service location. Glass, due to its fragile nature, is not included under warranty coverage. Always inspect your delivery for freight damage before you accept it.
