*Power and versatility for medium recipes.*

The Senior Series is perfect for medium sized mixing applications. With a precise power to weight ratio and the versatility of multiple attachments, the Senior Series makes the task of preparing your favourite recipes fun and easy.

The Foodmill/Ricer attachment will make the preparation of potatoes quick and easy and eliminate the need for unnecessary equipment and supplies. With a variable speed option both standard and available, perfecting delicate recipes are a reality.

The Senior line developed and introduced almost 20 years ago is a staple in commercial kitchens around the world and continues the tradition of supporting fine foodservice establishments.
