CORRECTIONAL FACILITIES**

200 lbs capacity withstands considerable loads

Heavy-duty, 16-gauge stainless steel construction provides the highest level of durability

Item Number	Platform Size			Load Capacity	Overall Size			Case Weight Lbs (Kg)	Case Cube Cu Ft (m³)
	L	W	H		W	L	H		
PBGRD1	20-3/4"	20-3/4"	1"	200 lb (91kg)	27"	21"	32"	28 (12.7)	4.4 (.12)
PBGRD2	20-3/4"	20-3/4"	1"	400 lb (181kg)	27-1/2"	21"	32"	32 (14.5)	4.4 (.12)

ALUMINUM UTILITY CART

This heavy-duty, two-shelf cart is made to withstand the toughest environments and carry the heaviest loads.

- The 1- 3/4" tube supplies increased durability and makes this cart the right choice for rugged operations.
- Multi-functional use for coolers, freezers and dry storage with rust-proof aluminum design
- Heavy-duty construction holds up to 1500 lbs per shelf with 2000 lbs rolling capacity
- Each shelf has three sides up to secure loads and one side down for easy loading
- Heavy-duty, 6" casters with tamper-resistant screws are easy to maneuver

Item Number	Overall Size			Case Weight Lbs	Case Cube Cu Ft
	L	W	H		
PB2237	37-1/2"	22"	41-3/4"	74	26.95
PB2937	37-1/2"	29"	41-3/4"	69	24.4
