SCHERMER LIVESTOCK STUNNERS

Our KS Stunner with automatic bolt retraction is the industry standard for all types of livestock.

KS

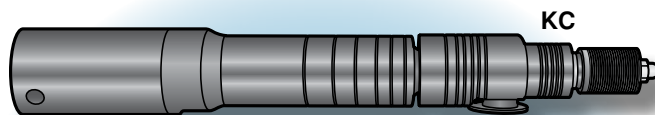

WARRANTY:
6 Months

MADE IN
GERMANY

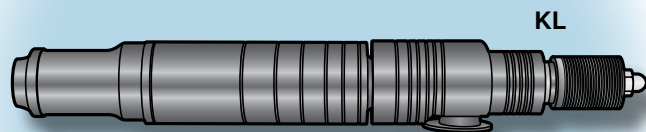

USDA
ACCEPTED

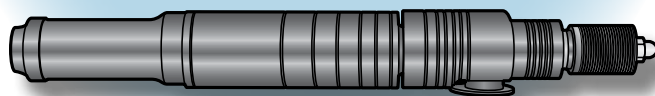

Versatile, lightweight and rugged, these stunners are easy to clean and repair. Spare parts are inexpensive and the simple design of hardened alloy steel stands up to the toughest packinghouse conditions. Each stunner weighs about 7 lbs., light enough for one-hand operation.
